

Videoconferencing Project Evaluation

District/School Name (Optional):

Your position (teacher, tech coordinator, etc.):

Were the preparation materials and pre-conference activities useful? Did you have enough information to prepare your students? How was the sign up process and registration?

How were the required questions & clues for the presentation? Did they match your curriculum? Were they appropriate for your students? Suggestions?

How was the length of the connection and each segment? Any suggestions for next year?

Would you recommend this project to another teacher?

Any other comments or suggestions?
